Studio days (max. 5 participants)

18.03.2022 / Price: 60,-

15.07.2022 / Price: 60,-

Basically all my courses and studio days are suitable for beginners and advanced students. I give each participant individually the input they need to progress in their technical or artistic development.

Even participants who have already attended a course can attend the courses again, as I have additional topics ready for the advanced students, so that everyone can learn something new.
